The Marylebone Project

We are a part of The Marylebone Project; the largest women-only homelessness service in London. The charity provides a life-changing service, responsive to the specific needs of homeless women through a Drop-in Day Centre and the provision of c.40,000 nights of accommodation every year.

-

Made in Marylebone is a social enterprise, run by the Marylebone Project. Our mission is to equip the women at the Marylebone Project with the skills and training needed for employment.

We are one social enterprise, with two distinct arms; Munch in Marylebone and Space in Marylebone.

-

Our catering business, Munch in Marylebone, provides delicious homemade food for lunches and events in London. Our food is freshly prepared by our professional chef and a team of women from the project.

-

Space in Marylebone offers three versatile meeting rooms in the heart of central London. We provide a professional and personal service, tailored to meet your needs.
